

MedChi

The Maryland State Medical Society

Electronic Health Records: Applications for the Physician's Practice

When: June 5, 2009 7:00 A.M – 4:45 P.M.
Where: Sheraton Columbia Town Center Hotel

Activity Description

The Seminar will feature presentations on the practical application of EHR to physician's practice, HIT, HIE and E-Prescribing, EHR and Quality Improvement, EHR and the Law, Return on Investment and more. Take advantage of opportunities to meet with CCHIT certified exhibitors throughout the day.

Learning Objectives

1. Identify the ten (10) key questions a physician needs answered before initiating EHR.
2. Appraise various systems of health information technology as they relate to interoperability and integration of systems.
3. Recognize the role of Quality Initiatives in the implementation of EHR systems.
4. Analyze the various legal liabilities associated with EHR systems and their implementation.
5. Review EHR system implementation experiences from the perspective of peers and office staff.

The Presenters

Jama Allers, MedChi Practice Management Consultant

David Sharp, Ph.D., Director, Center for Information Technology, Maryland Health Care Commission

Cindy S. Friend, RN, BSN, MSN, MBA/HCA Chief Policy Development, HIT Maryland Health Care Commission

Steve Johnson, J.D., Esq., MedChi, General Counsel and Director, Law and Advocacy

The Target Audience

Physicians, practice administrators, office managers and supervisors.

Continuing Education

MedChi, The Maryland State Medical Society, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

MedChi designates this educational activity for a maximum of 5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
